

Transpacific Trade Update: NCE Service - RHL Fidelitas v.003E #3

04th Aug 2014

Dear Valued Customer,

Please be advised of the following update for RHL Fidelitas v.003E on the NCE Service:

Typhoon Nakri has passed close to Shanghai over the weekend and vessel is still presently at the inner anchorage off Yangshan Terminal awaiting for further instructions from the vessel owner.

Vessel is currently on charter to NYK. Regrettably, we have been advised that vessel owner has declared General Average on the RHL Fidelitas and appointed the following average adjusters:

Rudek & Cie.

Sworn Average Adjusters
Hopfensack 20
D-20457 Hamburg, Germany
Phone: +49-40-3250789-0
Facsimile: +49-40-3250789-29
RCMA@Marine-Adjusters.com

We are currently seeking further details from the vessel owner and will update once more information is available.

NYK Line appreciates your continued support and regrets any unforeseen delays in cargo arrival. Please discuss with your Sales or Customer Service representative if you have further questions regarding NYK Line services.

Yours faithfully,

NYK Global Liner Management Division
