

Client Advisory

SOC Containers not accepted in ICD Locations in India

Dear Valued Customer,

This to inform all our customer that with immediate effect, CMA CGM India will not be accepting any SOC containers to ICD on Carrier Haulage basis.

- CMA CGM B/L will have to be terminated at POD location.
- We can exceptionally assist with Merchant Haulage if customer provides MH LOI and CMC permission 5 days prior to Vessel/IGM filing.
- For shipments already booked and those in pipeline we will assist. However no new bookings with SOC to ICD will be allowed.

Should you have any questions or concerns, please contact our customer service.

Best Regards,

CMA CGM Agencies India Pvt. Ltd.
