Except "Special Routing" or "Optional Space", please follow the most updated version of "CY-In code list" (which is updated to you by email or published on LINDO website) to arrange correct booking service for each POD & declare correct cy-in code on both paper CLP and E-CLP.
- C/L Cut (AMS/ENS not required if no deadline indicated in this column): Shipper / booking agent shall provide C/L within deadline for carrier's ENS declaration. In case of any submission request due to vessel delay, we will review case by case subject to the operational feasibility.
- S/I Cut: Shipper / booking agents shall provide S/I within deadline as standard requirement.
- Equipment free time is 10 calendar days (calculate from the date of empty picking up till "Proforma Departure" announced in this notice) for 20'DV/40'DV/40'HQ. Please visit MSC website to get more detailed tariff.
- Cy-in time is usually 5days prior to Pro-forma ETD. It is subject to change without prior notice based on port authority's arrangement. Please ensure to double check on terminal website before laden gate-in to avoid unnecessary loss.
- It will be subject to carrier's decision to load onboard or not and stow under option for the later coming container (deliver either Laden or Dock Receipt to the terminal or customs releasing after CY-cut time).
- Please ensure to declare correct cy-in code on both paper CLP and E-CLP as per our latest Cy-In code list (except Special Routing or Optional Space containers), which is updated to you by email or published on LINDO website.
