Dear All,

Please note that as from 1st of March 2019 it will be compulsory to mention the BESC number (or CTN in English) on BL and Cargo Manifest for all shipments destined to Senegal.

In case of omission consignee will not be allowed to pick up cargo and perform customs clearance formalities at destination.

Therefore pls ensure that BESC number (or CTN) is provided in the Shipping Instructions (SI).

COSEC (Conseil Sénégalais des Chargeurs) would like to inform that BESC (CTN) must be obtained on the dedicated web platform: www.besc-senegal.net

Please circulate this message to everyone involved within your organization
