INTERASIA LINES SINGAPORE PTE. LTD.

**【Prohibition Announcement】**

**Steam Activated Carbon, Carbon Black, Carbon/charcoal (incl. non-DG)  
are prohibited items for IAL!**

Dear Distinguished Customers,

It is notify the following commodity is prohibited for all service.

The internal cargo prohibition policy has been decided and announced by Interasia.

**“Steam Activated Carbon, Bulk Cargo- Carbon Black, Carbon & Charcoal (incl. non-DG)”** are regarded as forbidden, High Risk Commodities.

Owing to some serious fire incidents happened on our service or JV partner’s service by “Steam Activated Carbon” shipments.

We’d like to emphasize how important that Steam Activated Carbon (even clarified as non-DG) & above commodities are restricted and forbidden to load on IAL all service routes.

Please distributing this notification to all concern parties and expedite. Thank you very much for your attention and cooperation.

Yours faithfully,  
**INTERASIA LINES**
