Asia-Indian Subcontinent CIX Service – DS LOTUS (Voyage 0FB15W1MA)

- delay in schedule

Dear Valued Customer,

We wish to inform you that on 6 October 2020, a fire reportedly broke out in one of the cargo holds of the mv **DS LOTUS** (Voyage 0FB15W1MA), a vessel chartered to CMA CGM in the CIX service, whilst she was on her way from Nansha to Singapore.

Firefighting measures were immediately undertaken by the crew onboard and the fire was successfully put out. During the intervening period, Owners of the **DS LOTUS** liaised with Singapore's Maritime Port Authority, which gave the vessel approval to berth at Keppel Terminal on 15 October 2020 for cargo operations.

We are glad to inform that your container(s) was not impacted by this event and will be on-carried to its destination on the same vessel with a slight delay in schedule.

Please find below the new ETA for your shipments.
