### Wuhan lifts lockdown, reopens transport links

Dear Valued Customer,

As situation in Wuhan has improved greatly, the city officially lifted its lockdown today. Port operations have already returned to normal, and all transport links – both intracity and intercity – have resumed.

To better serve your shipping needs, starting from **13 April 2020**, alternate teams of CMA CGM Group employees will be deployed at our Wuhan office at different work schedules. Employees working from home during designated hours will continue to provide services on remote basis. We plan to return to full operations by 27 April 2020.

Meanwhile, do continue to make use of our eBusiness tools to manage your shipments effectively. Click the links below for more information on the e-services offered by our carrier brands:

We are eager to support the restoration of your supply chain, and look forward to carrying your cargo again.

Please don't hesitate to contact your local representative for information and assistance.

Thank you for your business and continued support.

Yours sincerely,

CMA CGM Group
