Dear/ Minister of Transport

After greeting,

Sub: Import of Medicines and Medical Supplies

In the beginning, we would like to extend our warm greetings to you, wishing you continued health, happiness, and success in your works.

With reference to your letter with ref. (W N/51/2879/2022/ dated (8/8/2022) regarding the initial approval to import medicines and medical supplies.

We would like to inform you that the import of medicines and medical supplies begins with submitting a request for prior approval of import by the agent of the manufacturer in the Republic, which includes a list of the items to be imported, accompanied by a preliminary invoice issued by the manufacturer in the name of its agent approved by the Board. Based on these documents, the agent should be granted a prior approval to import in accordance with the provisions of Article (4), as well as paragraphs (1 and 2) of Article (7) of Prime Minister's Resolution No. (333) for the year 2004. After the arrival of the medicine shipment, the release should be approved by the Board based on the original commercial invoice of the shipment and after the following documents are completed:

- An original copy of the certificate of origin of the shipment certified by the health authorities and certified by the embassy of our country.
- Packing list and certificate of analysis for each operation and shipment issued and certified by the manufacturing company.
- An original copy of the bill of lading.

This is in accordance with paragraph (3) of Article (7) of the Prime Minister's Resolution No. (333) for the year 2004.

Based on the above, please approve the pre-import approval issued by the Board.

Please accept our sincere appreciation

Dr./ Abdulgader Ahmed Al-Bokari

Director General of the

Supreme Board of Drugs & Medical Appliances
