Customs Department

Date: 19/09/2024  
Reference No. 62/10327

To: Chairman of the Management Committee of the Libyan Maritime Chamber

After greetings,

Pursuant to the President of the Council of Ministers Resolution No. (431/2023) which approved the tender award minutes, and gave authorization to conclude a contract with Webb Fontaine Company regarding the tracking system for the arriving consignments (Advance Cargo Information System "ACI").

As a part of the Customs Department's efforts to set up an executive process for the Advance Cargo Information System (ACI) for shipments arriving in Libya, start the work with this system effective from (01/11/2024) to launch and enforce the application of the system.

The Customs Department hereby announces that all goods offloaded at the Libyan ports will require an (ACI) number before the shipping process, you can find the system at ([aci.customs.gov.ly](mailto:aci.customs.gov.ly)), and you may inquire at the email ([helpdesk@acilibya.ly](mailto:helpdesk@acilibya.ly)).

Therefore, you are kindly requested to notify shipping agents and carriers to apply the prior registration for the imported shipments according to the system adopted by the Customs Department.

Best regards

Copy to:

- Head of prior registration of shipments
- General file.
