

# MSC ASIA SERVICES UPDATE – DECEMBER 2024

MSC CUSTOMER ADVISORY

**Geneva, Switzerland, 16 December 2024**

Dear Customers,

Further to the [initial communication](#) regarding the launch of our East/West network, we are delighted to announce that as of today, 16 December, cargo booking for MSC's network set to launch in 2025 is open.

Therefore, to provide you the most recent and up-to-date information regarding our comprehensive Asia services, we have **updated our service maps and transit times for both export/import and intra-Asia services**. For additional information about these services please [visit our Asia Trade Services hub page](#).

Due to our customers' enduring trust and confidence in our services, MSC today has the fleet size and strength to operate as an alliance-free carrier. This operational independence gives us the adaptability and flexibility required to support your business as efficiently as possible.

Our future network based on our long-standing and trialled direct shipment network will provide our customers an enhanced choice of direct port pair connections, extensive ocean freight trade coverage, and unrivalled connectivity.

Furthermore, our Asia-connected network (including intra-Asia) will provide unmatched continental trade connectivity with Asia through a vast array of loops, competitive transit times and a high frequency of direct port calls.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 675 offices.
