

阿尔及尔海关规则更新

尊敬的客户：

至阿尔及尔的货载，对于Cars/Vehicles的进口有以下要求：

(1) For used cars must be less than 3 years old, otherwise, it's not allowed to import.

(2) All containers that contain old (less than 3 years) or new Cars/Engine imported to Algeria are required to mention following details in description column on B/L, or a penalty will be occurred for import manifest amendment.

- Brand name
- Car Model(name)
- Manufactured year
- NIN (National Identification Number) of customer - is composed of 18 digits
- Gross weight

Regulation is applicable on all types of vehicles (car, truck, forklift, etc.) : the only difference is between the NIN (if the consignee/Notify is a person) and the NIF (if the consignee/Notify is a company)

如果未提供或提供错误导致的后续问题或费用需贵司自行承担，感谢您的支持与配合！

敬祝商祺！
