## **Locking of incorrectly closed and secured containers**

Dear Valued Customer,

We would like to bring to your kind attention the importance of keeping all door handles properly intact after applying the seal on the container. All door handles need to be in the right place to ensure safe transportation.

We sincerely request your kind support and cooperation in adhering to this guideline. Your attention to this matter will help us maintain the highest standards of safety and efficiency in our transportation services.

The following example illustrates an ideal way of placing door handles correctly for your guidance.

Thank you for your understanding and support.

Should you have any queries, please do not hesitate to contact our customer service representatives.

Thank you for your ever-lasting support and cooperation.

Yours sincerely,

Maersk Greater China Area
